Dear Matthew Davis,

The Pasco Sheriff's Office received a public information request from you on October 31, 2023 for the following:

"Investigational report of Matthew Aaron Davis 01/05/1988"

I am contacting you to provide you a good-faith estimate of costs associated with your public records request. Based upon the nature of your request, there are a substantial number of potentially responsive records. Each document will need to be reviewed to determine if it is a public record, if it is responsive, and whether any statutory redactions are required. Our good-faith estimate of the costs associated with this request is \$466.20, please see the invoice for a complete breakdown of costs.

You may pay via the portal with a debit or credit card. If you would like to pay by a cashier's check or money order, please make it payable to the Pasco Sheriff's Office and add the associated Reference # R021453-103123. Upon receipt of the deposit, we will process your request and contact you upon its completion with a final invoice amount, which is based on actual time and/or fees. If it is less than your deposit amount, you will be issued a refund for the difference. If it is more, you will be required to pay the outstanding balance difference before the records will be released to you.

Please let me know if you will accept these estimated costs. If you do not respond to this email within 10 business days after the estimate is sent, your request will be deemed withdrawn, unless you have advised the Pasco Sheriff's Office that you will accept and agree to pay the estimated cost or modify your request in response to the cost estimate.

If you wish to mail in your payment, please mail it directly to the address below and be sure to include the Reference # R021453-103123 on the check or a copy of the estimate.

I would like all public records regarding myself Matthew A Davis to be electronically duplicated and sent to me via email.

(As no charge has been established by law for providing copies by electronic mail in lieu of photocopying, section 119.07(4)(a)3., Florida Statutes, authorizes "the actual cost of duplication of the public record" to be charged. "Actual cost of duplication" is defined in section 119.011(1), Florida Statutes, to mean "the cost of the material and supplies used to duplicate the public record, but does not include labor cost or overhead cost associated with such duplication." You have not advised me of and I am not aware of any "actual costs of duplication" involved in forwarding copies of electronic mail in lieu of photocopying and the definition does not allow for the imposition of labor costs or associated overhead costs.)

At no cost to me. If you need any more information or legal documentation regarding laws and procedures please let me know. Thank you for your time
