Kathy MacKenzie
Administrator, CHIPZ (Community Hope & Intervention Project of Zephyrhills)
PO Box 985
Zephyrhills, FL. 33593

Dear Ms. MacKenzie:

I. INTRODUCTION

Pursuant to Chapter 119, Florida Statutes (Florida's Public Records Law), I hereby request that CHIPZ produce the following public records relating to the CHIPZ Program, for the period of January 1, 2023 through the present:

1. A list of any and all utility payments made using taxpayer funds by the CHIPZ program, including but not limited to: electric, water, gas, waste/garbage, etc.
2. For each payment, please include: date, utility provider, amount paid, physical address or account serviced, and name of individual or entity the benefit was provided to.
3. A list of any and all individuals who have signed up with or received support from the CHIPZ program using taxpayer funds. This includes, but is not limited to: utility payments, gift cards, hotel stays, emergency shelter/hotel accommodations, or any other material or financial assistance.
4. For each individual: name, type of assistance received, date of assistance, and amount or value of assistance.

II. REQUEST FORMAT & RESPONSE TIME:

5. Please provide the records in electronic format and physical mail. I believe this is a great way to teach the general public about how these types of records are obtained and I have fallen on financial hardship and ask that any fees or cost be waived as this is in the interest of the general public and how the taxpayers dollars are being used.
6. Under Section 119.07(1)(a), Florida law requires that the records be made available for inspection and copying within a “reasonable time.” If you expect delay, please inform me when you estimate you will have the records.

III. CONCLUSION

Thank you for your attention to this matter. Please contact me at MaDavisFS20@gmail.com or 656-212-3599 if clarification is required.

Sincerely,

Matthew Aaron Davis
