RE: Notice of Intent to Sue - Violation of Civil Rights and Other Claims

Dear Sheriff Chris Nocco,

Please take notice that this letter serves as my formal notice of intent to sue the Pasco County Sheriff's Office in accordance with Section 768.28 of the Florida Statutes, which governs the waiver of sovereign immunity in tort actions against state and local government entities, including county governments.

I, Matthew Aaron Davis, am notifying you of my intent to file multiple civil lawsuits against Pasco County, its Sheriff's Office, and individual officers for violations of my civil rights, including but not limited to false arrest, malicious prosecution, harassment, illegal surveillance, electronic harassment, persecution, equal protection, violation of Federal Code of Regulations and denial of civil rights, as outlined in the specific incidents documented in my previous correspondence and reports to the Sixth Judicial Circuit Court in and of Pasco County Florida. These incidents have caused significant harm, including emotional distress, mental anguish, reputational damage, loss of family relationships and financial loss for me and my LLC among others.

Statutory Reference

Pursuant to Section 768.28(6)(a) of the Florida Statutes, any person filing a claim against a county government entity must first present a written notice of claim to the agency involved. Below is the relevant statutory text for your reference:

Florida Statute 768.28(6)(a):

"An action may not be instituted on a claim against the state or one of its agencies or subdivisions unless the claimant presents the claim in writing to the appropriate agency, and also, except as to any claim against a municipality, presents such claim in writing to the

Department of Financial Services, within 3 years after such claim accrues and the Department of Financial Services or the appropriate agency denies the claim in writing..."

As required by law, this letter is being provided as formal written notice prior to the commencement of any legal action. Upon receipt of this letter, I request that your office address these matters within the statutory period and provide an appropriate response. If no satisfactory resolution is reached, I will proceed with the filing of the civil action.

I expect a response within the statutory timeframe and a copy of the official denial of this claim if that is your office's determination. If I do not receive a response or satisfactory resolution, I will move forward with the litigation process as permitted by law.

Should you have any questions or need further information regarding the nature of my claims, please feel free to contact me at the information listed above. I am placing "General Delivery" as the return address so as to not receive any more police retaliation.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew Davis', with a large, sweeping flourish extending from the end of the name.
