Subject: FOIA/Privacy Act Request for Complaint Filed in 2021

Dear FOIA Officer,

I am writing to request, under the Freedom of Information Act (FOIA) and Privacy Act, a copy of all complaints I filed with the FBI in 2021. These complaints are crucial evidence in a reopen criminal case where I have been falsely convicted and completed my sentence. The complaints document numerous threats made against me and my family, all of which have come to pass and where executed by assailants without any assistance from any legal entity or otherwise. They are essential to my pursuit of justice.

The details of the complaint include my full name and contact information:

Full Name: Matthew Aaron Davis

Phone Number: 813-895-6318

Address at the Time of the Complaint:
6819 23rd St,
Zephyrhills, FL 33542

Time of all complaints: January 12, 2021 - July 29, 2021

Office Location: Tampa Bay Field office

In the complaint, I reported serious threats that I reported were meant to coerce and intimidate me during the legal proceedings that led to my conviction and denial of a trial. These threats, which I documented in the report, later materialized, affecting me and my family directly. As I continue to pursue justice, this complaint is essential evidence in proving the coercion and violations of my rights.

Please process this request under the FOIA and Privacy Act, and include all relevant documents, records, and notes related to this complaint. Please make them certified by the FBI if possible as they will be used in a court of law. I am willing to provide any further information required to expedite this request.

I understand that I may be charged for the search, duplication, and review of these records, but I request that any applicable fees be waived, as this information is of significant legal importance. I have also fallen into financial hardship as a result of the legal process and have very little money to pay for these documents, but believe it will be a great example to educate the general public on how the process works and the proper way to address these situations.

Please send to the address below as the documents will be in safe hands for my retrieval.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew', with a stylized flourish at the end.
