Subject: Formal Complaint Regarding Illegal Surveillance, Electronic Harassment, and Intercepted Correspondences

Dear Sir/Madam,

I am writing to formally lodge a complaint concerning illegal surveillance, electronic harassment, and the interception of my correspondences to federal government agencies. My name is Matthew Aaron Davis, and I have been subjected to these severe violations of my privacy and rights since December 10, 2020.

Since that date, I have been the target of continuous electronic harassment in every conceivable form. This includes unauthorized surveillance of my activities, manipulation of my electronic devices, and the interception of my communications. I have strong reason to believe that my correspondences to federal agencies, sent from my cell phone, have been intercepted and tampered with.

Furthermore, I was illegally monitored through a Florida State Attorney investigation from March 22, 2021, which continues to this day. Despite reporting this matter to the Pasco County Sheriff's Office in Florida three months ago, no resolution or follow-up has occurred. This inaction has left me vulnerable to ongoing harassment, and I am increasingly concerned about my safety and the integrity of my communications.

These actions are not only a violation of my privacy but also an infringement on my ability to exercise my rights as a citizen. I respectfully request that your office investigate these matters promptly and take appropriate action to protect my rights and ensure that such illegal activities are stopped.

Please acknowledge receipt of this complaint and keep me informed of any developments or actions taken.

Thank you for your attention to this urgent matter.

Sincerely,

Matthew Aaron Davis
