Dear You Honorable Judge
Gregory G. Groger

I hope this letter finds you in good health. I am writing to respectfully request your consideration in turning over the plea information for cases 2021CF001143CFAXES and 2022CF003171CFAXES in which I am involved. I firmly believe that a comprehensive review of these cases is crucial to justice and my life, as new evidence has come to light that significantly impacts my innocence.

In the case 2022CF003171CFAXES, I was shot at my residence by a felon accompanied by my co-defendant, who had multiple warrants for her arrest. This incident, I believe, led to my false arrest, possibly as a means to violate my bond in case 2021CF001143CFAXES and leave me incarcerated indefinitely or until I signed a guilty plea on both cases. After a year of incarceration I gave in unknowingly the effects it would have on my life. Regardless of what any attorney appointed to me have said I always wanted and still want my day in trial.

I have invested considerable time and resources in pursuing a trial for this case spanning two years and involving excessive number of court-appointed lawyers. Unfortunately, I believe my efforts were hindered by a staged States Attorneys investigation were everyone around me was being paid, even my co-defendent, to be

around me. Not to mention the forensic investigator J. Velez (Badge Number 5954) having familial ties to my co-defendant and to Stanley Dukett Jr. the man who shot me in case 2022CF003171CFAXES.

Furthermore, I would like to bring to your attention that I have been an employee of Pasco County B.O.C.C. on inactive status for nearly four years. The legal challenges I am facing, coupled with being a victim of extreme gangstalking and electronic harassment even now after conviction have led to securing employment nearly impossible, resulting in homelessness and the loss of my home, custody of my children, all possessions, and almost my life.

Given the gravity of these circumstances and the impact on my life, I implore you to review the case information for cases 2021CF001143CFAXES and 2022CF003171CFAXES. I believe that a thorough examination of the evidence, could unveil the truth surrounding my innocence and contribute to rectifying the injustices I have faced and what I believe a violation of my 6th amendment right.

Furthermore I have requested multiple times the public records in regards to these cases threw the Pasco County Florida Sheriff only to be denied continuously in writing which I have attached to this email.

I appreciate your time and consideration in this matter and am hopeful for a fair and just resolution.

Sincerely,

Matthew A. Davis

No where does it say I can't request video EVIDENCE that was used in my court case that is now resolved. I will file a FOIA and report this constitutional violation of my sixth Amendment Right to know all evidence held against me to the federal government. Thank you for your time and it all in writing.

Good afternoon,

As stated previously, surveillance videos, including home surveillance videos, are not public record under Florida Statute 119.071(3)(a). We will provide you with what is public under Florida Statute of the Body Worn Camera relating to the case once payment is received. If you are not wanting the Body Worn Camera videos, please advise and we will withdraw your request. Please let me know if you have any further questions.

Thank you,

FS119.071(3)(a) does not apply to this situation because there is no bidding on any public works jobs. I'm looking for a copy of the home surveillance video that was uploaded to "Evidence" and used against me in a case that is now resolved and closed with all sentencing completed.

As per FS119.071(3)(d) I can get a copy of it for my personal records.
Thank you for your time.
